W.C.C. and M.A.C. Sponsor Carwash

Ithaca College students will take part in a mammoth Car Washing Project tomorrow, October 8th. Scrub buckets, wash cloths, and brushes will be turned loose to clean the cars of Ithaca. The purpose of this project is to raise money to pay for the support of Kim, Ithaca College's foster child from Korea. The last drive in the Spring paid for his support up to and including June, but now we are in arrears three months.

The Women's Civic Committee (W.C.C.) and the Men's Associated Congress (M.A.C.) are co-sponsors of this project and are strongly urging all I.C. students to participate. The girls will clean the inside of the cars, and the boys will wash the outside. The girls will wipe and polish the outside. Approximately 10 persons will be assigned to each car and the work will be done according to the assembly line procedure. This will cut down the amount of work that each person will do and speed up the whole project.

Sharon Whitney, chairman of the Project, announced that the cars will be washed in front of the I.C. Library on E. Buffalo St. and \$1.00 will be charged for each car.

Everyone should take part in this activity. All who are willing to help can either contact Sharon Whitney at Williams Hall or just make an appearance on Saturday between the hours of 1:00 and 5:00 o'clock.

The conditions in Korea have not changed since the end of the conflict and Kim and others like him are still living in poverty and starvation. It is through efforts like this that a semblance of respectable living can be given to these unfortunate people. The major part of their country was destroyed and much good fertile soil was made sterile by the devastation caused by the war. The man-power was cut down by the terrific casualty rate and it will be years before the country can be productive again.

Our land did not suffer as did Korea. We still have our great productive capacity intact. It takes money to rebuild a land and by our supporting this project we can give Kim, our war orphan, a chance to grow to manhood and become a productive member of his community.

Remember: Kim is your foster child and needs your help!

Work On 1956 Yearbook Progresses

Work on the 1956 edition of the Cayugan is well under way. Editor Jerry Rachmiel stated that senior pictures have been taken by Gordon Buzzell, professional photographer, and the student staff.

Two new appointments to the staff are: Bob Becker as Advertising Manager and Mary Cowan as Art Editor.

The dummy arrived September 23 and is now being checked by the staff. The publishers are John and Oliver of Philadelphia.

IC Graduate Takes Marine Training

Denis Horn, who graduated from IC last June, spent part of his summer taking officer training for the Marine Corps at Quantico, Virginia.

He was a member of the Marine Corps Senior Platoon Leaders Class for a period of six weeks. During the course he had instruction in physical conditioning, tactics and traditions, and the principles of leadership and command.

This summer was Horn's second training period at Quantico. At its completion he will receive a commission as a second lieutenant on the Marine Corps Reserve.

Incidentally friends will be interested to know that during the summer Denis was married to Claire Capitano. Claire is now in her senior year in the music department.

Mailbox Location Listed

Students of all departments are requested to check their school mail boxes at least twice a day. The locations of the mail boxes are as follows: Liberal Arts, Speech and Drama—the back lobby of the Administration Building. Business Department—in the annex outside room 17. Radio Department—in the Radio Building.

Room Policy Published

Students are urged to give careful consideration to a room before moving in since they are expected to remain in the same quarters throughout the school year. A change in their living quarters may be made only with the permission of the Dean of Students. This policy is for the protection of both the student and the landlord.

Pledge And Initiation Rules

The Council shall formulate all rules governing the bidding, pledging and initiation of all new members of organizations coming properly under the classification of this constitution. Changes in rules may be made at any time by a vote of a majority of the members of the Council.

A.—Rushing

There shall be no formal rushing period. Any member organization may at anytime during the first semester or the second semester hold any approved social affair to which prospective members may be invited.

B.—Bidding

First semester Freshmen are not eligible for bids. Only students who have been at Ithaca College for at least one full semester may receive bids.

No organization may extend a bid to a student who has not attained at least a "C" average for the semester immediately preceding the date the bid is to be extended.

No bid may be issued by any member of any organization by word of mouth, directly or indirectly, by hints or by implication without placing the offenders organization liable under the penalties hereinafter stated and subject to such penalties as may be levied by the Council.

All bids shall be in written form and shall be addressed, sealed and stamped for mailing on Friday of the sixth week of the semester.

All bids must first be sent to the Dean of Women to be checked with the Registrars office for the proper index requirement. The Dean of Women shall place all eligible bids in the Post Office on Sunday immediately following the Friday of the sixth week of the semester. All bids must leave the Dean's office for mailing at the same time.

Highlight of Alumni Fall Weekend

Former students of Miss Elsie Hugger will be interested to know that she and her husband Mr. Art Erwin will be a featured part of Alumni Fall Weekend. Mr. and Mrs. Erwin are prominent in the square dance circle and will be attending the International Square Dance Conference in the near future.

Mr. and Mrs. Erwin will be the callers for the Alumni Dance. They will be honored at a party at Phi Delta Pi on Sunday afternoon of Alumni Fall weekend.

The ITHACAN wishes to
congratulate the Frosh Camp
staff for a fine job.

THEATRE OPENER

JACK KUTZ (VERNE) center and DOUGLAS ROSS (BILLY BUDD) right hover over JONATHAN FARWELL (CLAGGART) during rehearsal of theatre season opener BILLY BUDD.

On Wednesday, Oct. 19, Billy Budd, the first play of the season, will open for a 4 night run in the Ithaca College Little Theatre.

The three act dramatization of Herman Melville's story will be directed by Charles H. Randall. Scenery for the production will be designed by George Hoerner and technical direction will be handled by Gerald Cowan.

Billy Budd was first produced by the ANTA Experimental Theatre in 1919 under the title Uniform of Flesh. In this original production at Lenoxville Playhouse. Judson Pratt, Ithaca College class of 1939, was a member of the cast.

The play was later revised and retitled Billy Budd. It opened in New York on Feb. 10, 1951 at the Biltmore Theatre where it immediately received critical acclaim. (The reviewers liked it better than the audiences did and the play finally closed despite continued praise from the critics.)

Melville wrote Billy Budd just a few months before his death in 1891. The theme of Melville's play was interpreted in these words by Brooks Atkinson: "Absolute good and absolute evil cannot live in this world together. Each must destroy the other, for human life is a compromise that follows the middle way." The absolute good in the play is symbolized by the ingenious Billy Budd while the absolute evil is personified in Claggart, the sadistic master at arms.

The entire action of the play takes place at sea aboard the H.M.S. Indomitable of the British Royal Navy. The time is August, 1798, the year following the naval mutinies at Spithead and The Nore.

In the Ithaca College production the title role of Billy Budd will be portrayed by Douglas Ross; the role of Claggart, master at arms, by Jonathan Farwell; and the part of Captain Vere by Jack Kutz. The ship's officers will be portrayed by Bill Alexander as Seymour, Bruce Follmer as Lt. Ratcliffe,

Jack Holcomb as Wyatt, Vernon Hinkle as Midshipman Gardiner, and Clyde Pye as Midshipman Rea.

The character roles of squeak and The Dansker will be taken by Ed Muscus and Larry Roy.

Appearing as the ship's crew will be Dave Claydon as Jenkins, Arnold Sherman as Payne, Alan Leach as Kincaid, Dick DeBenedictus as O'Daniel, Frank Murley as Butley, Howard Ingram as Talbot, and Jerry Bearce as Jackson.

Also in the cast are Maurice Holtz as the Surgeon, Dave Muller as Hallam, Robert Rein as the Messboy, Ron Crawford as Stoll, Ralph McDonald as Duncan, and Charles Baxter as Byren.

The technical crew for the production is headed by Suzanne Parkhill, Stage Manager; Elmae Adams, Assistant Stage Manager; Dave Hatch, Stage Carpenter; Pat Frey, Stage Electrician; Sally Applegate, Property Mistress; Rose Doklanos, Costume Mistress; and Nancy Carroll, Box Office Manager.

New Faculty Appointment

Mr. G. Russell Stead has been appointed to the faculty of the Phy Ed Department. Mr. Stead is an I.C. graduate, class of 1945. He was director of Health and Physical Education at Geneseo Central School from 1945-1947 and at Dansville Central School from 1947-55; in the meantime Mr. Stead received his masters from I.C. in 1950.

Mr. Stead is married to the former Betty Worth, also an I.C. grad. The Steads have three children: Judy, Doug and Barbara. The Steads will soon move into their new home on Taughkannock Blvd., where he will resume his hobby of antique collecting. However, Mr. Stead does not limit himself to one hobby, as he is also interested in hunting, fishing, camera work, traveling and dancing.

One of the reasons for Mr. Stead's return to I.C. was his association with the professors at the school, particularly Dean Hill and the late Dr. Landon.

Letter To The Editor

Dear Editor:

I am sure by this time that our new freshman students have noticed the lack of school spirit at Ithaca College.

In the military service, the feeling of belonging that an individual has to an organization or a unit is referred to as "esprit de corps." Webster defines esprit as: "a spirit of common devotedness, sympathy, or support among the members of an association or a body; comradeship."

The editorial in the September 20, 1954, issue of THE ITHACAN related that "... the students of Ithaca College do have school spirit—but not for the College as a whole! The average Ithaca College student in the past has been concerned with his own department and has paid little or no attention to the other departments of the College ... It is up to the students, especially the incoming freshmen, to do something about it ..."

A letter from S. Aronson was printed in the November 12, 1954, issue of this paper and as she complained of the failure to support a dance and carnival, she said, "... I have been aware of the lack of cooperation among the departments of our College ... It is the old story of the lack of school spirit. What the students of IC are forgetting is that going to college is not just attending classes, but also participating in school functions if one is to get the fullest from his college education."

"Many students have the tendency to complain that social life at IC is nil. Ironically enough, these same students fail to support their school and to show school spirit. It is not enough, however, to support our own department, but we must support all departments at IC."

My purpose in quoting these remarks is mostly to inform our freshmen of the past situation. There are many ways to engender the proper school spirit and to enforce necessary discipline.

The best way is to seek and obtain the support of the fraternities and sororities and other activities and organizations affiliated with Ithaca College. They must be imbued with the spirit of unity. Space does not permit me to dwell on these methods at this time, but I will discuss them in future letters.

What has hampered the attainment of esprit? First, our sports teams are not as all-victorious as can be hoped for, there are no assemblies called by the administration which would at least give a semblance of oneness of purpose, THE ITHACAN has slipped in its rating to a third class paper, little publicity is given to the history of the College and names of and facts about Ithaca College illuminaries. Another regrettable feature is that our radio station—WITJ—is an FM station and few of the student dormitories are equipped with FM receivers.

On the credit side of the ledger, the College is now accredited by the Middle States Association of Colleges and Secondary Schools, more interest is shown in the workings of the Student Council and at least one fraternity is bringing the College to the attention of outstanding businessmen by sponsoring an annual Career Conference.

All in all, Ithaca College is favored with a better-than-average faculty and an increasing student enrollment.

Ithaca College is a solid institution and offers a great deal to its students. The College is a tangible and living organism. It is slowly awakening to and realizing its destiny. It is the responsibility of all individuals connected with the institution to speed up the process of awakening and make it a College of which we can all be proud.

QUESTION: How does life at Ithaca College appeal to you? Why?

Bob Marello, Frosh, Phys. Ed.

"Life at Ithaca appeals to me very much. The kids are all so friendly that it seems like home. I can't say the same for the food though. The college sort of grows on you."

Al n Leach, Frosh, Speech and Drama

"Having lived in Ithaca for the major portion of my life, nothing at Ithaca College surprises me anymore."

Judy Swan, Frosh, Music

"Life here has great appeal to someone who likes friendliness. All the students here have proven very friendly, including the upper-classmen. Another factor is the size of the college which gives a closer student-instructor relationship."

Bill Buckley, Frosh, Drama

"Ithaca College life is wonderful; everyone tries to make you feel right at home. The drama department of the school is run on the basis of the Professional Theatre which gives the student the feeling of being in the professional theatre and helps to develop his talent even more."

Ruth Eastbury, Frosh, Phys. Ed.

"Ithaca College is the greatest! Why? Because the students are the best. Friendly, and always willing to help whenever necessary. Ithaca is a nice small college, but it sure has the spirit."

Jules Jacrin, Junior Transfer, Physio

"I like the informality of the college students. I am a transfer student in the Junior class of the Physiotherapy department. The fellows and girls in my class are very friendly and willing to help anyone who needs their cooperation."

Barbara Heller and Myrna Levenberg, Frosh, Physio

"Ithaca College life is great. The attitude of the upper-classmen toward the freshmen is one of friendliness and helpfulness. The different organizations give us a chance to meet many new people."

Fred Shadruff, Frosh, Business

"Ithaca has by far exceeded my expectations as an educational center. The professors and kids are great. The city of Ithaca is great which adds to the life here at college. Everyone is co-operative and willing to lend a hand. All in all it is terrific."

I.C. Graduate Returns As Counselor

Lloyd Meeker, a 1955 graduate of I. C. began his duties as admissions counselor of Ithaca College July 1. Lloyd was an active student during his four years of college.

Along with being in most of the major drama productions and numerous one-act productions his freshman year, Lloyd joined Delta Kappa and participated in Scampers.

As a sophomore, Lloyd appeared in major drama productions and one-act plays, became a member of Theta Alpha Phi, and helped organize the Men's Associated Congress.

Lloyd began his junior year as publicity chairman for his class, vice-president of TAP, a member of the executive board of MAC, and a member of the Student Council. In the drama department Lloyd, among other parts, played the lead in *Pattern In The Clover* and the part of Macduff in *Macbeth*, and the part of Petruchio in *The Taming of the Shrew*. Lloyd also served as assistant production manager and stage manager of Scampers. A good example of the type of person Lloyd is can be shown by the fact that he was on the Dean's List and also chosen by popular student vote as Junior Weekend Prince. Incidentally Mona Bizzari was his princess, and she became Mrs. Lloyd Meeker September 5, 1954.

Thus Lloyd began his senior year as a married man. He continued his Looking Agency for Bands which he had started his junior year. Again Lloyd was on Dean's List, on the executive board of MAC, and on the Student Council. He was president of the Interfraternity Council and assistant director of Frosh Camp. For all the time, effort, and enthusiasm he gave to Scampers, Lloyd received the Mr. Scampers Award. Among the dramatic productions, Lloyd had a major role in *As You Like It*.

It seems fitting to end this article with the news that Lloyd and Mona became the parents of a daughter, Melanie, on July 24, 1955.

Deadline for Scamper Scripts Announced

Scampers, the annual I.C. production which is completely written, directed, and performed by the students is tentatively scheduled for January 10-14, 1956. This year's show, unlike last year's show, will be a show of the vaudeville type, having a variety of short acts.

Jack Kutz, executive chairman, Bill Elliott, production manager, and Bruce Follmer, assistant production manager, the Executive Staff, have the work well under way. A mass meeting was held September 30 at 3:00 p.m. in the theater for the purpose of explaining the workings of Scampers to the student body.

All students are urged to check the Scampers bulletin board daily. This board is located right outside of the Snack Bar next to the phone booth.

The deadline for Scampers script material is Thanksgiving vacation. Anyone who has an original song, joke script, comic situation or dance routine is urged to write it down and give it to the Scampers Committee, who are as follows:

Radio—Ron McKenney
Physical Education—Matt Alessi
Business—Pat Liverio
Music—Honey Bailly
Liberal Arts—Ed Kechyian
Drama, Speech—Jim McKenna

Annual Smoker Slated

Phi Mu Alpha Sinfonia, national professional fraternity, will hold its annual smoker Oct. 12 at 8:15 at the fraternity house 117 Dewitt Place. A member of the music faculty will be the main speaker. Refreshments and entertainments will be provided.

Phi Mu Alpha Sinfonia, the largest Greek letter fraternity in the U. S., was founded in 1898 at the New England Conservatory of Music in Boston, Massachusetts. The primary purpose of the fraternity is to foster the advancement of American music.

Iota Chapter of Kappa Gamma Psi will hold its annual smoker Monday, Oct. 17, 8-10. There will be entertainment and refreshments following a tour of the house which is located at 414 N. Cayuga St.

Kappa Gamma Psi is a national music fraternity founded at Ithaca College in 1929. One of the purposes of the Fraternity is to further music at the College.

These smokers give the new male students of the music department the dual opportunity of becoming better acquainted with the members and the aims of the fraternities.

Dorms To Have House Openings

For the next couple of months, girls' dormitories on campus will hold their annual house-openings. Phi Delta Pi dormitory was the first of the series, held on October 5 from 8-10.

Entertainment at Phi Delta Pi houseopening was furnished by the trio John Larsen, Bob Marella, and Ted Wiltsie. Social Chairman was Virginia Eggleston; and the house-mother of the dormitory is Mother Helen Totman.

The next houseopening scheduled is at Hilliard House at 603 E. Seneca St., on Oct. 16. Entertainment will be given by members of the house, and refreshments will be served. Mother Bailey is the house-mother at Hilliard House.

House openings may be attended by both men and women and their purpose is to acquaint the students with the residence halls.

Piano Recital Held

On Wednesday evening, October 5, Robert Lewis, pupil of Mr. George K. Driscoll, gave his Junior professional recital. This recital was given as partial fulfillment of the requirements for the degree, Bachelor of Music.

Mr. Lewis' recital included works of Bach, Chopin, Debussy and Mozart. He opened the evening's program with the *Prelude and Fugue in E-flat minor*, from the *Well Tempered Clavier*, Book 1, No. 8 by Bach which was followed by Mozart's *Sonata in A-major, K.331*, marked *Andante grazioso*, *Minuetto*, and *Alla turca: Allegretto*. A Debussy group followed this which included: *Reflets dans l'eau*, *Volles*, and *Hommage a Rameau*. Chopin's *Polonaise in C-sharp minor*, Op. 26 No. 1, *Nocturne in F-minor*, Op. 55, No. 1, and *Ballade in A-flat major*, Op. 47 concluded the program.

On the 27th of May the Snack Bar, installed last year, made its one hundred thousandth sale.

'Let's Go Continental' Theme of Fall Weekend

by Cindy Bandfield

The Student Council has announced that Ithaca College will soon be injected with a large dose of continental flavor in the guise of its Fall Weekend theme "Let's Go Continental." Because this year's big event comes sooner than expected, October 14th - October 16th, the student (men) population has very little time in which to act.

The weekend starts off with a Bon Voyage pep rally at 7:00 on Friday. The student body will cheer the team on to victory in the Olympic Classic game with the Dragons from Cortland State Teachers College on Percy Field at 8:00. After the game, the team and the student body will journey on to the Clinton House to conclude the evening with the Deep In Dixie Bounce. There will be Dixieland Jazz and dancing until 1:00. Girls will receive 1:30 permissions.

The parade which starts on Saturday at 2:00 in front of Williams Hall still carries the "Let's Go Continental" theme. Each dorm will choose one girl to represent one country and dress her accordingly in the native costume of that country. The fraternities are also expected to participate along with any interested organization or students who think they have a prize winning idea. The Elephant Walk will conclude at the Seneca Gym at 3:30 where an Irishman's Wake will be held. There will be prizes, games, and fun for all.

The romantic touch for the weekend will be the semi-formal dance at the Hotel Ithaca on Saturday evening. Reflections in jade promises a memorable evening for all who attend. Ticket price is \$3.00 and there will be dancing from 10:00 to 2:00 with music provided by Jack Coe and his orchestra. Girls will receive 2:30 permissions.

The final touch will be the picnic on Sunday, from 2:00 til 5:00, at Lower Enfield. This is a bring-your-own-lunch picnic, but fun is guaranteed to be the outcome. So, "Let's Go Continental," and enjoy the pleasures of a miniature trip around the world.

Frosh Welcome Party Planned by Tat

All students, especially Speech, Radio and Drama majors, are cordially invited to Theta Alpha Phi's annual freshmen welcome party on Sunday, October 15, from 2-5 p.m.

Choice scenes from "As You Like It" with Sue Parkhill and Hank Newman and "Our Town" starring Roddy Dobris and Vern Hinkle will be the highlight of the afternoon's entertainment.

Newman Club Announces Fall Schedule

The Newman Club has announced that it will have a co-ed picnic for all Catholics of I.C. on Sunday, Oct. 9, at 2 P.M. Those needing transportation should gather in front of the dining hall at that time.

The first Communion Breakfast of the year will be in the Immaculate Conception Church Hall after the 9 A.M. Mass on Sunday, Oct. 16. Price of the breakfast is 50 cents and the menu includes: ham, eggs, rolls, juice and coffee. There will be a guest speaker.

Newman also sponsored the Fall Dance which followed the Ithaca-Stroudsburg football game. The dance was free and was enjoyed by many students from I.C.

New Office Building Named Landon House

The faculty office building at 118 E. Court St. has been named Landon House, in honor of the late Dr. Sydney W. Landon, beloved professor of English at Ithaca College for 23 years, it has been announced by President Leonard B. Job.

Dr. Landon taught English, speech, and literature at the College from 1930 until a few days before his death, March 9, 1953. But he was more than a teacher. It was pointed out by Dr. Job in one of the many tributes that were published in The Ithacan at the time of Dr. Landon's death, "he has consistently reflected the high quality of his mind, his gentleness, his extraordinary sympathy for students and others who endeavor to achieve, his understanding heart, and his generosity. His intimate knowledge of the finest of literature of the ages proved a source of inspiration for many generations of college students."

A student wrote: "We who have been exposed to his radiance shall not forget him. He has become an acme in education."

Dr. Landon gave hundreds of lectures and characterizations of such literary greats as Mark Twain, Edgar Allen Poe, and Walt Whitman. He was an ardent sports fan, with especial interest in Coach Bucky Freeman's baseball team. In 1935 and 1951 The Cayugan was dedicated by the staff to Dr. Landon.

Student organizations have demonstrated their love and respect for Dr. Landon since his death by contributing gifts to The College in his memory. Kappa Psi Alpha business fraternity raised the funds through campus-wide subscription that provided the framed portrait of Dr. Landon which hangs in the Library; The Class of 1954 gave the 30 volumes of the Encyclopedia Americana; and the Interfraternity Council presented the 22 volumes of the Dictionary of American Biography.

ITHACAN STAFF MEETING FOR ALL MEMBERS

Roving Reporter

(Cont. from page 2, col. 3)

Lenni Wagner,

Frosh. Radio-TV

"Coming from a small town, where life consists of studying, and evenings spent at the local 'hangout', I naturally think that Ithaca is a place where study and social life can be combined into a pleasant four years. The main asset to the College is the friendliness of the students."

Kay Westcott,

Frosh. Business

"The students at Ithaca are very friendly and, in my opinion, that goes a long way toward making life at the college very pleasant. I've only been here a short while but so far I think it's a swell place."

Former Student Named Athletic Director

Morty Schlein has recently been appointed athletic director at the New York Institute for the Education of the Blind. Morty, who is partially sighted and the first graduate of the Institute to return as coach, attended Ithaca College where he distinguished himself on the wrestling team.

Saperstone Proposes That College Move; Would Build Parking Lot

Mr. David A. Saperstone, Commissioner of the Board of Public Works, City of Ithaca, has proposed to the Board and to the Common Council that more parking space be made available for the motoring public using the business district in Ithaca. His plan calls for the removal of Ithaca College from its present location on East Buffalo Street to the High School Building on North Cayuga Street. Commissioner Saperstone then proposed that the City Hall, Police Headquarters, City Court and Fire Department and Library moved from East Seneca Street to the site now occupied by Ithaca College and that the City offices and buildings be razed and that a three-tiered parking lot be erected in its place. He estimates that the newly-proposed parking lot would easily accommodate three hundred cars and pay for its cost in approximately fifteen years.

He recommends that a new high school be built on the Bergholtz Tract on the North Cayuga Street Extension, which is presently unused city-owned land.

This idea is currently gaining momentum and is being discussed by influential townspeople. Mr. Charles Chatfield of Radio Station WHCU is currently expounding on this subject in his series of LETTERS TO THE EDITOR program presented every noon.

It would behoove each and every college student to learn a lesson from this and that is not to ignore the decisions or proposals of city lawmakers because in rare instances, it does affect them.

Official and public reaction to this proposal is not evident at this time. As far as is known, the College has not been asked for its opinion. What do you, as students, think of Mr. Saperstone's plan? Let us hear from you and we will print your comments in subsequent issues of THE ITHACAN. If sufficient interest is shown (either pro or con) to Commissioner Saperstone's proposal, the opinions expressed will be forwarded to the City Mayor for his consideration and information. Address all communications to Editor, The Ithacan.

Why do more college
men and women smoke

VICEROYS
than any other
filter cigarette?

*Because only Viceroy
gives you 20,000 filter traps
in every filter tip, made
from a pure natural substance
found in delicious fruits
and other edibles!*

1. Yes, only Viceroy has this filter composed of 20,000 tiny filter traps. You cannot obtain the same filtering action in any other cigarette.
2. The Viceroy filter wasn't just whipped up and rushed to market to meet the new and skyrocketing demand for filtered cigarettes. Viceroy pioneered. Started research more than 20 years ago to create the pure and perfect filter.
3. Smokers en masse report that filtered Viceroys have a finer flavor even than cigarettes without filters. Rich, satisfying, yet pleasantly mild.
4. Viceroy draws so easily that you wouldn't know, without looking, that it even had a filter tip . . . and Viceroys cost only a penny or two more than cigarettes without filters!

That's why more college men and women smoke VICEROYS than any other filter cigarette . . . that's why VICEROY is the largest-selling filter cigarette in the world!

Enrollment Date Extended For Student Health And Accident Plan Until Oct. 19

Mr. Howard A. McGee, administrator of the Ithaca College Student Health and accident plan, announced that the final enrollment date would be extended until October 19, in order to give all students a chance to participate. Mr. McGee said that the overwhelmingly enthusiastic response on registration days, made it impossible to adequately explain the plan and to service all the students who might have wished to enroll, but were unable to do so for lack of time. Then too, due to an unavoidable delay in getting the letters mailed to the parents, he feels that many students were not made aware of the benefits available to them.

This plan, now in its third year at Ithaca College was especially designed for the students of Ithaca College, after many hours of consultation between the officials of the college, and the experts of the Continental Casualty Company. All the various hazards and problems encountered by students were carefully analyzed, and the plan of protection was designed accordingly.

Since its inception in 1952, many thousands of dollars in benefits have been paid to students of Ithaca College, and many students would not have been able to continue their education if it had not been for the fact that their Medical bills were taken care of by this plan.

Coverage is afforded for all sicknesses and accidents in accordance with the schedule of benefits shown here. This includes conditions which may already be in existence. If any students are covered under plans of their own or their parents, they may purchase this plan as supplemental coverage, and they will be paid in addition to any other coverage.

All students who have not already enrolled may do so, by completing the enrollment blank, and returning it with the proper premium to Mr. Mayer's office, or by mailing it directly to Howard A. McGee, 190 Armstrong Avenue, Rochester 17, New York.

Mr. McGee will be at the college on October 19th to answer any questions and accept enrollments. October 19th, will be the final day for enrollments. Those wishing to insure camera, musical instruments or personal possessions may do so at that time.

Any students who do not wish to enroll in the plan are requested to sign the waiver relinquishing their right to participate in the plan, if they have not already done so. Those who have previously signed waivers may change their minds and enroll now if they wish.

Mr. McGee will be at the Box Office at 10:00 a.m. the 19th.

1. COVERAGE

(A) The plan will insure all full time students of Ithaca College and will be in effect for 24 hours a day for the 9 months' school year. This policy term includes such interim vacations as Christmas and Easter. Effective 12:01 a.m. on Sept. 17, 1955 until June 19, 1956. Coverage

may be extended through Summer Vacation if desired.

The Insurance plan, then, offers a safeguard in all places and at all times against unexpected medical expenses and, coupled with the student health service, provides students with a most complete financial safeguard.

Participation in athletics is covered by the policy except for first aid treatment.

2. BENEFITS

Bombers Loose Close Game; 19-18

Coach "Doe" Yavits' Soccer team opened their 1955 campaign at West Point, and despite a 2-1 setback, were highly impressive. The Black Knights of the Hudson, having been practicing for several weeks, were better conditioned than the Bombers, and this proved to be the decisive factor.

Jim Zonnville scored Ithaca's lone goal on a pass from Dick Becker at 4 minutes, 10 seconds of the first quarter. Dick Davidson scored for the Bombers 2 minutes later, but was ruled offside, and of course, the score didn't count. Ithaca maintained that 1-0 lead at halftime. The Cadets knotted the score with a long boot from the left wing with but 10 seconds remaining in the third quarter. The decisive tally came midway in the last period.

Coach Yavits commented that the team as a whole played exceptionally well, but due to lack of replacements were very tired at the finish. Pete Thomas, Bomber goalie, turned in a strong game in holding the Cadets to but two tallies.

The lineup follows:

- Goal—Thomas
- FB—Hotaling, Co-Capt.
- FB—Fishell, Co-Capt.
- LH—Sand
- CH—Reither
- RH—Hoyt
- OL—Becker
- IL—McEvoy
- CF—Zonneville
- IR—Davidson
- OR—Paradisin

Replacements: Gillette, Auer, Panneta, Clark

In the J.V. game, West Point was also victorious, winning 4-1. The Bombers avoided a shutout when White scored in the second quarter. The Cadet Cubs scored one goal in the first, one in the second, and two in the third. Ithaca had only one replacement, which obviously hampered Coach George Freeman.

The Lineup:

- Goal—Alessi
- FB—Knight
- FB—Cuomo
- LH—Stein
- CH—Stone
- RH—Kovacs
- OL—Ross
- IL—Zonnanti
- OR—Anderson

Replacement: Kula

Freshman Warned To Wear Beanies!

The other day as this writer was walking down West Buffalo Street he spied what appeared to be a blue felt object protruding from the right rear pocket of a bald-headed freshman. Upon closer inspection it developed that this blue felt object was a beanie. Now every intelligent freshman knows that the right rear pocket is not the place for a beanie to be worn but according to custom and tradition should be worn on the head. This is a most serious offense.

However it is generally agreed that here at Ithaca College discipline is lax if not nil.

Punishment for this crime is both varied, unusual, amusing, and eternal. Evidently, it was not within the realm of this particular freshman's knowledge that the wearing of the beanie is a hallowed and glorious tradition. Usual punishment in cases of this type range

from mild rebukes to severe reprimands and brainwashing.

However hazing is not allowed at this institution, so therefore it is contemplated that a modified trial by court without benefit by jury of defense council will take place.

Freshman are required to display the beanie atop the usual location until such time as the date for the Frosh Frolics is announced. It has come to the attention of this writer that all future violators will be duly exposed and prosecuted. It will be the policy of the Ithacan to publish the names of all violators in its next issue, and it would behoove all upperclassmen to co-operate with us in this venture by reporting all discrepancies to officials of this paper.

Appropriate disciplinary action will then be announced!

NEWS DEADLINE

News deadline for all activities to be printed in the Ithacan is 12 o'clock Saturday noon, October 14. Please be prompt.

Probably the number one topic in the sports world now is, of course, the World Series. However, regardless of the outcome, the American League pennant chase will be argued throughout the winter months. The collapse of the Cleveland Indians, who had the pennant virtually in the bag, will furnish fuel for hot stove league fans all over the country. Much of the blame has been laid to the inability of the Tribe front office to out-deal the Yankee brass. However, Hank Greenberg wasn't swinging Rosen's & Doby's bats in the last two weeks of the campaign. The Tribe, which had depended on the long ball in holding their own all throughout the season, just didn't have it against the Tigers and Chisox in the final two series of the season. In the meantime, the Yanks, who seemingly had blown the pennant on the weekend of Sept. 10-11 on a bobble by Carey in the ninth against the White Sox, and a wild pitch by Ford against

the Indians the next day, just refused to quit. Despite the fact that they had the worst part of the schedule (7 games with the previously hot Red Sox) the Yanks came through to cop the bunting for the sixth time in seven years. Whether you like or hate the Yanks and Stengel, you must give them credit for playing the best when the chips are down . . .

While on the subject of baseball, Ithaca's own Grover "Deac" Jones has rounded out his first full campaign as a pro, and from all reports had a banner season. Playing with the Waterloo White Hawks of the 31 league, Deacon compiled a .321 average and made the league all-star team.

His team set a Hr record for the league, and Grover himself belted two out of the park on the final day of the season, including a grand-slam. Grover is now studying in N. Y., where he is in his senior year in Physiotherapy. We

Bombers Lose Tight One To Stroudsburg Teachers

Ithaca College opened their grid-iron warfare by losing to East Stroudsburg at Percy Field last Friday night, the margin of victory coming on a successful point-after-touchdown.

The Warriors took the opening kickoff and marched 80 yds. in 5 plays only to fumble on the IC 15. Unable to gain, the Bombers were forced to punt, and on the second series of plays by Stroudsburg, Don Disten recovered a fumble on the 30 yd. line. Unable to score, the teams exchanged punts, and as a result of a short Warrior kick, the Bombers went on to score the first TD of the game in 5 plays. Noun passed to Prettyman for 11. Prettyman on 3 carries went to the 1 ft. line, where Molisani bucked over for the score. Harris' extra pt. attempt was blocked and the Bombers led 6-0.

In the second quarter, the Warriors began to click on power slants from their single wing attack. Maring and Oplinger took turns eating up the yardage, and Roth provided the aeri-als. With one minute gone in the second quarter, Oplinger scooted over from 15 yds. out. Roth's placement was also blocked and the score was knotted at 6-6. The balance of the quarter developed into a punting duel, until "Tiny" Morelli recovered a 3rd fumble on the Stroudsburg 14. However, with the aid of a back-field-in-motion penalty, the Warriors held, and proceeded to march 80 yds for their tally. Maring & Roth lugged the leather deep into IC territory, where DiTorrice pitched to Oplinger who bulled his way to the 3 yd line. With but 14 seconds remaining in the half, Oplinger passed to Hoffman for the score, and Roth kicked the all-important extra pt. At half time the score stood; Stroudsburg 13, Ithaca 6. After taking the second half kickoff, Lou Molisani, aided by a timely block from Tom Laplaca, swept right end for 52 yds, and IC's second score. Extra point attempt was wide and the Warriors still led, 13-12. After kicking off, the Bombers forced their opponents to punt, but a 15 yd penalty stopped the Bombers cold again. Stohrer got off a beautiful punt, only to have DiTorrice streak 85 yds for a stunning 3rd touchdown for the Warriors. The kick was wide and the score now stood at 19-12.

At start of 4th quarter, Ross's pass was intercepted by Kniffen on the Stroudsburg 42. With Troplano and Prettyman showing the way, the Bombers drove to the 8 yd line. But on 4th down and only a foot to go, the Warriors held once more, and a beautiful quick kick seemed to snuff out all hope as it rolled dead on the IC 35. However, with Noun finding the range with his passes, and Molisani providing the overland steam, the Bombers roared back to the 3 yd line, where Molisani crashed over for his 3rd TD. But on the pass from center for the conversion, the ball was fumbled, and that was the ball-game as Stroudsburg ran out the clock.

Although it was a heart-breaking game to lose, Ithaca rooters can take pride in the hustle and spirit of 1955 Bombers. Let's get out again tomorrow night and cheer them against the Wilkes Colonials.

The Lineup and Score:

all wish him the best of luck, and are looking forward to seeing him move up the ladder in the White Sox chain . . .

Turning to football, Army seems to be building up another powerhouse along the banks of the Hudson. Judging by their astronomical trouncing of Furman last week, they may be best in East. Navy, which in pre-season crystal-balling, appeared to be East's best, squeezed by William & Mary 7-0, Pitt, which plays a man-sized schedule overpowered Syracuse in its opener 22-12 and is also rated highly among Eastern powers. In the Midwest, Michigan and Notre Dame

appear to head the parade. The Irish surprised by walloping the Mustangs from SMU 17-0, and appear to have come up with another of their patented great quarter-backs in Paul Hornung. In the South, it appears that Coach Jim Tatum of Maryland has come up with another powerhouse, judging from their 7-0 win over highly rated UCLA. At Norman, Oklahoma looms as their usual tough self, while on the coast S. California and UCLA appear to be set for a battle-royal for champions of the West . . .
